OUTSTANDING ACCOUNTS/ CREDITS FROM PREVIOUS TERMS

Due to some clients changing lesson days after paying term invoices, there can be small discrepancies in the new terms bill. This is generally the difference in lesson costs. For example, if you originally paid for a Monday session consisting of 8 lessons in a term and you moved to a Thursday session with 10 lessons a term this would reflect an outstanding amount of \$36.00.

****Full payment of the invoice is required to secure your spot in Term 2***
